Subject:	Job Ad

Dear Mr. Adil Al Balushi,

I am writing this email in response to the job advert you shared on Instagram dated 20th September 2023. I am interested in applying for the job and I would be grateful if you could provide some further information.

First, I would like to know if this post is for the Salalah or the Muscat branch? As the advert did not provide the job description, would it be possible for you to provide some information about the job? I also have a question about the payment for fresh graduates, what is the salary range for this job? My last question is when and where will the interview be conducted?

I would also like to draw your attention to the technical issue with the link provided in the advert. Whenever I try to upload my documents, it says error. Therefore, I am sending you my CV and cover letter as an attachment. Could you please confirm if it is acceptable to send these documents through email or should I wait for the link to work?

I look forward to your response.

Yours sincerely,

Ahmed Al Ajmi
